

## Co-occurring Clients in Crisis

KDMHMRS

### Dates and Locations

---

The Department of Mental Health and Retardation Services is sponsoring a six hour training with Randy Hignite, Substance Abuse Director for Bluegrass Regional Mental Health-Mental Retardation Board, Inc.

The target audience is crisis stabilization staff in our community mental health centers. Some of the areas covered throughout the day include information on the disease of addiction, assessment of medical need, withdrawal symptoms and guidelines, overview of co-occurring disorders, stages of change, and relapse prevention.

Registration is free
